

ALL PURPOSE BLIND BURRS

Grind speed: ● ●

Lifetime: + 30% compared to Pure Diamond Burrs
+ 5% compared to Red Speed Burrs

Recommended for: from Light to Dark roasted

Turkish	Espresso	Moka	Filter	Cold Brew
---------	----------	------	--------	-----------

Espresso setting

Extremely pronounced peaks, two in espresso (with minimal presence of intermediate particles), one in filter, show great grind uniformity and versatility.

Filter setting

Extremely high grind uniformity with minimal particles dispersion, playing up clarity of flavours.
